

How To Become A St. Louis Registered ASA Umpire:

If you are new to St. Louis, or new to USA/ASA Softball umpiring, or are looking for ways to improve as a Softball Umpire, then you have come to the right place! Each year, beginning in December, we begin registering ASA Softball Umpires for the upcoming season. Registration includes your ASA National Dues (Bollinger ASA Insurance Included), ASA Rule Book, ASA Online Rules Exam, ASA Registration Card, and membership to participate in all of our local association events (clinics, socials, and end of the season party).

Early Registration Fees*: Prior to the end of January each year - **\$60.00**
(This Includes The Months of December and January)

Regular Registration Fees*: These are the fees required after January - **\$70.00** (This Includes February - September)
Typically, we refrain from registering new umpires after September because of the cost to income ratio.

**First Year Registered Umpires – We do have registration PAYMENT OPTIONS available to meet your needs should you be unable to pay the entire fees up front. Please contact one of the District UIC's.*

First, download our [Independent Contractor Agreement](#), once downloaded, complete the form – save to your computer (your copy), and then email it as an attachment to StLASATech@gmail.com. We must have this form on file before you can be assigned ANY games.
