The home team is responsible for keeping score of the game. The umpire will request the number of runs scored following each half inning, and will record the official score. **NOTE:** If one team is keeping a complete book and one team is only keeping run tally marks, the complete book will be the official book. Bats will be kept in the dugout area at all times.
- 2) The Kirkwood Parks & Recreation softball league will be using a one and one count with no courtesy foul in all leagues. Each batter will start his/her at bat with a count of one ball and one strike.
- 3) Players may participate on only one team per league, where interdivisional play is involved. Players may play on only one team per division where there is no interdivisional play. Players are limited to playing for two teams per day of the week. Players must be on the team roster to participate in any game. (See roster regulations)
- 4) A legally pitched ball must, in the judgment of the umpire, reach a minimum arc of six (6) feet and shall not exceed a maximum height of twelve (12) feet from the ground. Any ball that, in the umpire's judgment does not meet these requirements will be a delayed dead ball. The umpire will make a visual and/or verbally signal to indicate an illegal pitch. A batter may choose to swing at the ball and in doing so negates the dead ball. In which all results of the play are valid. If the batter chooses not to swing, the pitch will be called a "ball". No fake pitches are allowed whether while on the pitching rubber or not. Pitcher must come to a complete stop prior to pitching the ball. (No walking starts or quick pitches)
- 5) If, after a catch, a player's momentum carries him out of bounds, the player may not return to the playing field to make a throw. The ball is dead and out of play. Out of play lines will be marked on all fields. Base runners may advance one base without liability to be put out. On Diamond's #3 & #5, the outfield fence will be played the same as an out of play line. If a player goes over the fence without having contact within the playing field, a home run will be awarded to the batter.
- 6) Runners may leave the base as soon as the ball crosses the front plane of the plate or when the ball is contacted with the bat, which ever comes first. If a runner on base leaves too early, he/she will be called out and a NO-PITCH will result.

Players arriving after the game begins will be placed at the end of the batting order.
- 8) No new full inning may start more than fifty-five minutes after the starting time of the game. A run ahead rule will be in effect, 10 runs after five innings, 15 after four innings, and 20 after three innings.
- 9) Fielders must leave access to all bases and home plate. Failure to allow a runner clear access to any base will result in the runner being awarded that base. If, in the opinion of the umpire, any contact outside of incidental, the runner will be called out and will be ejected from the game. A runner who initiates contact in an effort to dislodge the ball from the fielder's grip will be declared out, and may be subject to the penalties of Rule 10.
- 10) At the discretion of the umpire, any person who instigates a fight, provokes a physical confrontation, or attempts to maliciously injure another player, will be ejected from the game immediately, and will be suspended for an additional game(s) up to, and including the remainder of the season. When moving nights, you will not be allowed to move back to the old night without moving divisions.

Teams that cannot carry a 2.5 will not be allowed in the playoffs (if applicable) and will not be allowed back for future years/session. A Team that receives a 1 could be removed from the league immediately.

Rosters- Each team must submit a completed roster, with a maximum of 20 players, prior to the start of the season. Failure to complete a roster by this deadline will result in forfeiture of any protested game, and the loss of opportunity to participate in playoffs and subsequent seasons. Only 4 players can be listed on a roster that is also listed on another roster from a higher division. At no time will a team be allowed to play with more than 4 players from a higher division or league. Roster changes can be submitted for approval by 4:30 p.m. of the day before prior to the playing of a team's 4th game or set of games in the summer and 2nd game or set of games in the Fall. After this time, changes can be made only for medical reasons, or if a player moves out of town. **No roster changes will be allowed once a team qualifies for playoffs.** All roster changes must be made on the roster provided and sent to the Recreation Department office. Additionally, any team that forfeits more than twice will lose its "returning team" status for the next summer season.

Reschedules - Games that were canceled due to poor field conditions will be rescheduled on the same night as the original games for the first two occurrences, if possible. After the third occurrence, games may be rescheduled for a different night or cancelled with a refund of un-played games, and the current standings used to determine the winner of each league.

Number of players - A team must have at least nine players present to take the field within 5 minutes of the assigned starting time, or forfeit the game(s). If a team is unable to field at least nine players at the designated game time, that team will automatically assume the role of "visitor". Once a team has assumed the visitors' role, home team privileges will not be returned to them even if additional players arrive. If their ninth player has not arrived by the time the 1st half inning of play is completed or all present players have batted one time, the game will be forfeited. If neither team has nine players, a double forfeit will result. For coed leagues four of the nine must be female players. No additional penalties will be enforced for having only nine players. If a change in Home teams is made during the first game of a double-header, the teams will not switch Home and Visitor for the second game. (Same team will be Visitor for both games).
